

## Background and Overview

The Northwest Georgia Housing Authority (NWGHA) and the City of Rome have partnered with Camiros, Ltd. to create the East Rome Choice Neighborhood Plan. The Plan will chart a course for transforming the John Graham Homes, as well as the surrounding East Rome Neighborhood, into a desirable community of choice. There are three core focuses of the plan: **Housing, People and Neighborhood**.

The East Rome Choice Neighborhood is located in the East Rome neighborhood, south of downtown in Rome, Georgia. The Planning Area is bounded by the Norfolk Southern Railroad to the west, 12th Street to the north, Flannery Street to the east and the highway to the south.

The Existing Conditions Data Book is a collection of existing conditions information and about the East Rome Choice Neighborhood Planning Area.
